3. Kids **respond**.

4. **Tear** off small pieces of tape and **give** a piece to a child who would like to help you.

5. **Help** child stick the tape on the picture to help hold it together.

6. **Repeat** steps 4 and 5 until all kids who want to help have had a turn and picture is stuck together again.

7. **Celebrate** that everyone worked together to help you tape your picture back together.
