## FIND TRUTH

directions

### Before Prop Talk Begins

1. **Secretly hide mini Bible** somewhere in your room. **Ideas:** *Hide it where another child won't find it as you transition to Prop Talk, like on your cart or somewhere kids can't reach.*

### Prop Talk

1. **Show** magnifying glass to kids.

**Say:** Friends, what is this?

2. Kids **respond**.

**Say:** This is a magnifying glass. It helps us see teeny-tiny things very clearly. It reminds me of Jesus! Jesus helps me see the truth very clearly. And Jesus helps me find God's truth in the Bible! Want to hear something fun? I hid a tiny Bible in our room today. Let's go on a hunt to find God's truth in the Bible!

3. **Move** to a spot in your room and **look through** the magnifying glass for the Bible there. Use the **Look Here List** for ideas.

**Say:** Nope. I don't see God's truth in the Bible here. I'll keep looking!

4. **Continue** looking, allowing kids to search with you if you'd like!
5. When you only have a couple of minutes left, **find** the mini Bible you hid and **celebrate!**
6. **Show** kids how the magnifying glass makes the Bible look bigger and clearer, allowing as many kids as possible to look at it through the glass.
7. **Say** "Say With Me" listed on the front.
8. For age 4, **ask** "Questions" listed on the front.

### Look Here List

- In the corners of your room
- Under a table or chair
- Behind the TV
- On the ceiling
- On a shelf
- Behind the picture schedule on the wall
