Say: Friends, what do you see when you look in this mirror?

Say: Yes! This mirror shows you what your face looks like. Now let's play a mirror game. I'll say a feeling, and you can make the face that shows that feeling.

3. **Say**, "Sometimes I feel ... say an emotion from the **Emotions List** below."

4. Both you and kids **make a face** that shows the emotion while you **hold up** mirror so kids can see the emotion on their faces.

5. **Ask**, "Is it true that you always feel name of emotion you just showed?"

6. Kids **respond**, "No!"

7. **Repeat** steps 3-6, choosing a new emotion each time.

8. **Show** heart on back of mirror.

Say: We feel lots of feelings that come and go. But this heart reminds me of one thing that is **always** true: Jesus always loves you! Think about how much Jesus loves you right now and look in the mirror!
